SUMMER HOLIDAYS HOMEWORK

Dear Students,

Summer Vacation is the most awaited time for both parents and kids. Vacation is the time for the children to explore their myriad interest and indulge in various activities which would lead to their all-round development.

We, at **DBN**, understand it very well. Considering this, we have tried to keep the homework simple, informative, interesting and fun filled.

For you, it may be time to smile and play, Summer Vacations begins from 12th May

We will miss you at school and wait for the lovely day, When you are back making our days lively and gay. At home, help your mother and have a lot of fun, play indoor games, be in shade, away from the sun. Read a while, don't forget to do a page of writing.

Spread happiness and joy, with no refusal and no fighting.

In accordance with the guidelines of CBSE, we are incorporating integrated project-based learning wherein students will prepare projects for all the subjects based on a common theme. This endeavor has been taken up with the objective of inculcating the approach of integrating diverse subjects or fields and the spirit of collaborative learning. The school has planned a vacation homework in the form of Integrated Project to ensure that every student do not stay out of the learning path.

Wish you all safe and healthy holiday ahead!
